CAR PROGRAM

Supporting Shelby County
residents with the opportunity
to earn permanent
transportation.

BREAKING THE TRANSPORTATION BARRIER

Transportation is one of the biggest barriers for people facing homelessness. Lack of transportation negatively impacts access to physical and mental health providers, employment, education and so much more.

Studies show transportation barriers often impact those of disadvantaged health, social, and economic status*.

Mercy Mission House is committed to help break the transportation barrier for Shelby County residents.

*American Journal of Public Health, June 2020

CLIENTS

Applications can be filled out in person at Mercy Mission House at 950 Childrens Home Rd. Clients must complete the following to be put on list for vehicle:

- Must be Shelby County Ohio resident
- Meet with Transportation Manager at MMH to complete application
- Obtain Valid Drivers License
- Complete at least 10 hours of volunteer service
- Complete Basic Car Maintenance Course
- Secure vehicle insurance

Donated car is then transferred to client at no cost.

HOW THE PROGRAM WORKS

DONORS

Interested in donating a vehicle to the Mercy Mission House car program? It is an easy process and donors can feel good knowing their donation is providing transportation and independence!

Donation Steps:

- Cars must be in good working condition
- Call Mercy Mission House at 937-815-1777 and ask for the Transportation Department
- Sign title over to Mercy Mission House and get title notarized, drop off title with vehicle OR meet Mercy Mission House Representative at Shelby County BMV and sign over title and MMH will come pick up vehicle
- Mercy Mission House pays all title transfer fees
- Donor will get a tax receipt letter for the vehicle from Mercy Mission House (a 501(c)3 organization)
